Start Guide

A Z O M CAMERA

You must download AZOM app to activate

THANK YOU FOR CHOOSING A Z O M PRODUCT!

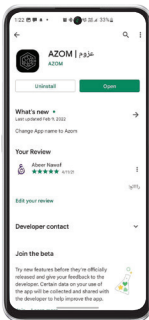

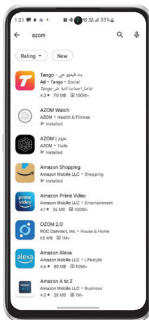

App Installation for AZOM Indoor Camera

1. Install AZOM App:

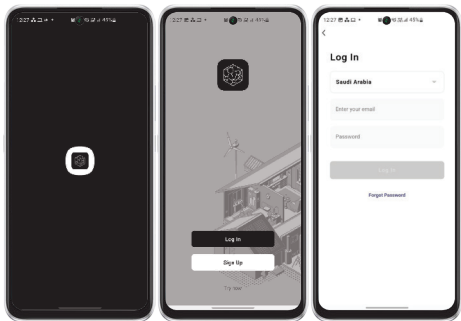

Scan the QR Code below Or search for (AZOM) in App Store or Google Play to find and install the app.

This camera **only** supports 2.4G WIFI, 5G WIFI is not supported. Please make sure that your mobile is connected to 2.4G network to prepare for camera connection. And please **allow** the requested app permissions

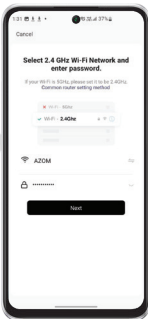

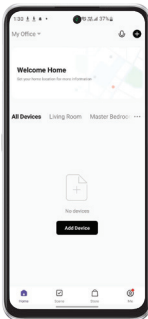

2. Register and Login:

Click the Login button or sign up to use the app.

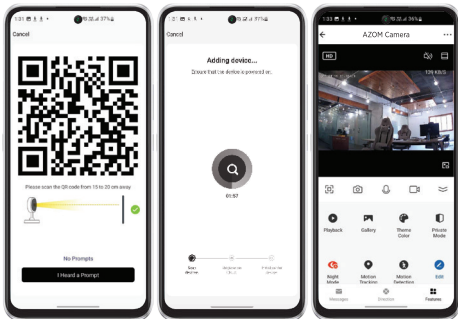

3. Connecting The Camera

1. Click "Add Device" or the icon "+" on the top right corner.
2. Choose Smart Camera (Wi-Fi).
3. Make sure the indicator is flashing quickly then click "Next".
4. Enter your WiFi password and click "Next".

5. A QR code will be displayed, hold the camera 15 to 20cm away from phone screen to allow the camera scan it.
6. After you hear the beep, click on button "I heard a prompt".
7. Next, connection will be complete.
8. You can rename the device in the last step.
